| Description When I have a nbsp character in a string and call strip on it, it will not remove it even though is would could as a whitespace. E.g. <code>Nokogiri.HTML("&nbsp;").text.strip</code> results in " " and should result in "" | |

History

#1 - 07/17/2014 08:02 AM - nobu (Nobuyoshi Nakada)

- Tracker changed from Bug to Feature
- Description updated
- Category set to M17N

Currently methods of String don't deal with Unicode properties.
Possibly some gems might be available.
