

Ruby master - Bug #15405

Endless range docs

12/12/2018 06:47 PM - zverok (Victor Shepelev)

Status: Closed	
Priority: Normal	
Assignee:	
Target version:	
ruby -v:	Backport: 2.4: UNKNOWN, 2.5: UNKNOWN
Description Sorry if this is the redundant work and the core team plans to do it themselves, but I noticed that new endless ranges have no mentions in Range documentation. Trying to fix that.

Thanks for the patch!
I've modified it slightly and committed it.

#2 - 12/12/2018 08:28 PM - zverok (Victor Shepelev)

[marcandre \(Marc-Andre Lafortune\)](#) Thanks!

<https://github.com/ruby/ruby/commit/296bd00e02573a231ec52da538fc3b7d9745f688#diff-dbb13b1d844c49e5b1350ddf0a5ca8cbR1490> -- It looks like something went wrong in this line ("...represents **and** semi-infinite ranges.")

#3 - 12/12/2018 09:45 PM - marcandre (Marc-Andre Lafortune)

Fixed, thanks

#4 - 12/12/2018 11:37 PM - mame (Yusuke Endoh)

Thanks!
