

Ruby trunk - Bug #15639

[BUG] Segmentation fault at 0x000000010e82ca3a

03/05/2019 02:09 PM - ilya@cloverpop.com (Ilya Nechiporenko)

Status: Open	
Priority: Normal	
Assignee:	
Target version:	
ruby -v: 2.5.3	Backport: 2.4: UNKNOWN, 2.5: UNKNOWN, 2.6: UNKNOWN
Description (description and method to reproduce required)	
Related issues: Is duplicate of Ruby trunk - Bug #15490: socket.rb - recurring segmentation f... Open	

History

#1 - 03/05/2019 02:47 PM - nobu (Nobuyoshi Nakada)

- Is duplicate of Bug #15490: socket.rb - recurring segmentation faults added

#2 - 03/05/2019 02:53 PM - nobu (Nobuyoshi Nakada)

- Description updated

- File bug-15639.log added

Seems same as [#15490](#).

#3 - 03/05/2019 04:46 PM - ilya@cloverpop.com (Ilya Nechiporenko)

This happen when I start a rails server in Rubymine and try to open a page in browser. But when I run a server in terminal - it works just fine

#4 - 03/05/2019 04:51 PM - ilya@cloverpop.com (Ilya Nechiporenko)

Guys, if this is a duplicate - feel free to close it. Thanks
