

## Ruby trunk - Feature #15657

### Make webrick to bundled gems

03/11/2019 12:12 PM - hsbt (Hiroshi SHIBATA)

<b>Status:</b>	Assigned	
<b>Priority:</b>	Normal	
<b>Assignee:</b>	hsbt (Hiroshi SHIBATA)	
<b>Target version:</b>		
<b>Description</b>		
The maintenance of webrick is hard for the ruby core team because we should handle a lot of security issues in the future.		
webrick was promoted the default gems in Ruby 2.5. It's a good time to promote the bundled gems from default gems before Ruby 3.0 release.		

#### History
