<b>Description</b>	
<pre>=begin I found a bug and some workaround while trying to implement termination watchdog.  ruby 1.8.6 (2007-09-24 patchlevel 111) [i486-linux] on Ubuntu 8.04  Bug: # Run me and press Ctrl+C  Signal.trap('INT') do   Thread.new do     puts "Got SIGINT"     Thread.main.join(1)     puts "Timeout is never reached!"   end end  sleep 100  And a workaround  # Run me and press Ctrl+C  killer = Thread.new do   Thread.stop    puts "Got SIGINT"   Thread.main.join(1)    puts "Timeout is reached!"   Thread.main.raise "Timeout!" end  Signal.trap('INT') do   killer.run end  sleep 100 # ----- =end</pre>
