Description		
The bug fixes in Psych 1.2.2 would be nice to have in 1.9.3. The revisions to be backported from trunk in order to make this happen appear to be 33160, 33381, 33382, 33383, 33384, and 33385.		

History

Yes. The comments for each commit detail each bug fixed. If it helps, I can backport these to the 1.9.3 branch.

- File *psych122.patch* added

- Assignee changed from yugui (Yuki Sonoda) to tenderlovemaking (Aaron Patterson)

Can someone please review this for backporting? I've attached a combined diff for these commits.
