

Ruby master - Feature #6435

Break up net/http.rb into individual files

05/16/2012 05:01 AM - drbrain (Eric Hodel)

Status:	Closed
Priority:	Normal
Assignee:	drbrain (Eric Hodel)
Target version:	2.0.0
Description	
The attached patch breaks up net/http.rb into individual files. Beyond addition of "Net::" for scoping only structural changes were made.	
I only found uncommitted patches to net/http.rb that were submitted by me, and I think those patches may need some work, so I am fine breaking them for now.

I think you can commit it unless there is objection within a few days or a week.
Make sure "make check" is passed before a commit. Thanks!

This issue was solved with changeset r35761.
Eric, thank you for reporting this issue.
Your contribution to Ruby is greatly appreciated.
May Ruby be with you.
