

Ruby trunk - Bug #6889

Restore backwards compatibility of Net::HTTP

08/18/2012 08:34 AM - drbrain (Eric Hodel)

Status:	Closed	
Priority:	Normal	
Assignee:	naruse (Yui NARUSE)	
Target version:	2.0.0	
ruby -v:	-	
Description		Backport:
<pre>=begin In Ruby 1.9.3 and earlier net/http defines a constant (Net::HTTPSession) which is an alias of (Net::HTTP). In r35761 for #6435 I accidentally moved the constant to (Net::HTTP::HTTPSession). The attached patch restores net/http to pre-r35761 behavior. =end</pre>

- % Done changed from 0 to 100

This issue was solved with changeset [r36810](#).
Eric, thank you for reporting this issue.
Your contribution to Ruby is greatly appreciated.
May Ruby be with you.
