

Ruby trunk - Feature #7007

Make OpenStruct#new accept OpenStruct object

09/12/2012 04:10 AM - prijutme4ty (Ilya Vorontsov)

Status:	Closed
Priority:	Normal
Assignee:	marcandre (Marc-Andre Lafortune)
Target version:	2.0.0
Description Now we have OpenStruct.new(hash) method. But it can be more consistent if one can use it also in form OpenStruct.new(open_struct) which will create a new instance which is a copy of an argument.
