

## Ruby master - Feature #7103

### Improved IO#reopen which accepts optional hash

10/02/2012 11:51 PM - Glass\_saga (Masaki Matsushita)

<b>Status:</b>	Closed
<b>Priority:</b>	Normal
<b>Assignee:</b>	
<b>Target version:</b>	
<b>Description</b>	
I propose improved IO#reopen which accepts optional hash. The new IO#reopen has the same interface as IO.open and it enables us to reopen IO with full configuration.	
I have attached a patch. I have removed mode_enc() and rb_io_mode_enc() in the patch because they are no longer used.
