Target version:	
Description	
Hi.	
I want to get a object id in object creation probes to know a creation point of a suspect object.	
I've wrote a patch for above. https://gist.github.com/4182140	
Could you check it?	
I'm sorry, I don't have a Mac so I do not execute dtrace's tests...	
Thanks!

Try SystemTap [1] if you are on Linux.

[1] <http://sourceware.org/systemtap/>

#2 - 12/21/2012 10:26 PM - usa (Usaku NAKAMURA)

- Status changed from Open to Assigned

#3 - 12/27/2012 05:09 PM - authorNari (Narihiro Nakamura)

- Target version changed from 2.0.0 to 2.6

We are entering code freeze phase.
